Welcome to Week 2,

Market Day – Sunday 2 November

Our biannual Market Day is just around the corner, and it's shaping up to be a fantastic community event! Mark your calendars for Sunday 2 November, from 9:00am to 2:00pm, and come along for a fun-filled day supporting our school.

The P&C has been working hard behind the scenes to ensure this year's event is our best yet. We're excited to announce that Mr Brad and the team from Fitness Kidz will be joining us with their Warrior Package, which promises non-stop fun for the kids, including epic water games with super soakers, water balloons, hula hoops, soccer games and more fun activities!

Tickets for Fitness Kidz fun are just \$10 and include unlimited entry throughout the day.

Students have been hard at work producing products to sell at the school stall.

There will also be a wide variety of market stalls, offering everything from handmade goods to delicious treats. It's a great opportunity to shop local, enjoy great food, and connect with our wonderful school community.

To make the day a success, we need your help! If you're able to:

- Volunteer in the kitchen
- Provide baked goods to sell
- Donate quality second-hand items for our fundraising stalls

Please fill out the attached form and let us know how you can contribute.

Spread the word, invite your family, friends, and neighbours to join us for a fantastic day out. Every bit of support helps make a big difference for our school!

We can't wait to see you there!

Wishing you all a wonderful fortnight,

Lisa Blackburn

Exciting Year 6 Events – Term 4 Highlights

Term 4 is shaping up to be an exciting and memorable time for our Year 6 students, with a number of special events planned to celebrate their final term of primary school.

To begin with, Year 6 have designed their own commemorative shirts, which will be sent home as soon as they are finished, something they are all looking forward to proudly wearing!

We are also thrilled to welcome back Ms Lauren Turner, who will be working with the students to create a mural at the school. This is a wonderful opportunity for our students to leave a lasting mark on the school grounds. Please ensure your child brings an old set of clothes suitable for painting, as house paint will be used during the mural sessions.

On Wednesday 26 November, Year 6 students from Collins Creek, The Risk, and Wiangaree schools will come together at The Risk Public School for a day filled with friendship, fun, and collaborative learning. We'll also be joined by student leaders from Kyogle High School, who will support the activities throughout the day.

That evening, students will remain at school to get ready for their much-anticipated Year 6 Dinner. Families are warmly invited to join us at 5:30pm at the Kyogle Bowling Club to celebrate this special milestone. A big thank you to the P&C, who have generously donated \$25 per student to cover the cost of their meal.

We ask each family to email or send in one baby photo and if your child did not attend The Risk in their early years, some photos of Kindergarten, all the way to year 6 photos.

We look forward to sharing these wonderful experiences with our Year 6 students as they prepare to take the next step in their learning journey!

Around the School

There have been some exciting updates around the school recently, and students have been making the most of the improvements!

Over the holidays, a fresh load of sand delivered to the loose parts play space. The students have loved getting creative, digging, building, and burying treasures in the cool sand for hours of imaginative play. The addition of large sandstone bricks has also been a hit, providing a lovely space for students to sit and enjoy their lunch together.

Looking ahead, we're aiming to establish new garden beds where students can plant both flowers and edible plants. These will not only brighten up the school grounds but also be used as fresh ingredients in our kitchen offering hands-on learning opportunities from garden to plate.

Another highlight has been whole school T-ball, led by Mr Waite. It's been heartwarming to see the senior students stepping up to support the younger ones, helping them learn the rules and offering encouragement, especially when emotions run high during the game.

It's wonderful to see our students engaged, active, and working together as a community across all age groups.

Paralympian visit

On Tuesday we had a visit from Jessica Macartney who is a representative for the Australian Paralympic Organisation and she introduced us to Maddie McTernan who is a Paralympian. She attended the 2020 Tokyo and the 2024 Paris Olympics.

At the Paralympics Maddie competed in 200m freestyle, 100m backstroke and 4 x mixed freestyle relay. In the mixed relay she won a silver medal. It was really interesting to hear her story. She started swimming when she was very young and would do swimming lessons 3 - 4 times a week. When she was in Yr 7 she started getting serious about it and was doing 6 - 7 lessons a week and then she got noticed by someone and that started her journey to become a Paralympian. By Bentley
