1.15pm Recess
1.45pm Class learning
2.55pm Home time

PBL Class Award recipients

Merit Award recipients

Principal's Award and PBL Bear recipients

With the cold weather arriving, please ensure your child wears a warm jumper/jacket to school with their name in it to avoid it being lost.

SPOTLIGHT ON K/1/2

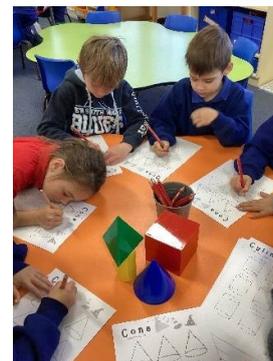

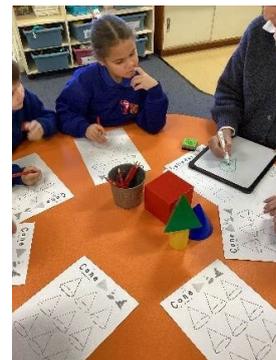

Last Friday K/1/2 held a Market stall, where they sold a variety of goods. The students had a toy stall, a coffee shop, cake shop, fruit & veg stall along with a supermarket for all your needs. Staff and students were given money or a credit card to purchase from the many stalls available.

Exploring 3D Shapes

This week in K/1/2 we explored 3D objects. We built models and learnt how to draw 3D shapes.

Canteen News

The canteen will be operating again this year on Wednesdays. There may be the occasion when the canteen will be closed due to volunteer commitments. If there are any parents/caregivers who would be able to help in the canteen for a few hours (8:30am to 12noon), please contact the school and speak with Alison in the canteen.

A reminder that we do not sell hot food at recess as the canteen is closed at that time. Lunch bags are sent home every Tuesday when the canteen is operating. Please have lunch orders and money in by no later than 9:30am to ensure lunches are cooked properly.

There is a NO booking up policy in the canteen. All orders need to be paid for Wednesday mornings before 10am.

P&C News

If you are a Parent/Carer who would like to be involved in your child's school, the P&C is a great way to be supportive and at the same time help raise money for the benefit of our students both in and out of the classroom. A new date and time for our AGM will be organised in the near future. **Please remember the canteen relies on having a functioning P&C for it to remain open.**

Regular school attendance

Regular school attendance, including coming on time, is essential for school learning success. Regular night time and morning routines, such as bedtimes and meal times, assist students to be ready to learn when they step into the classroom. It also ensures they can maximise their time in the classroom for educational benefit.

Sleep

For children to learn and grow at their best they need a night time routine to ensure they get enough sleep so they can concentrate on their learning in class and make good decisions with their behaviour. Teachers have noticed that a number of students have been coming to school extremely tired, even to the point of needing a sleep during the day. It is important that you support your child/children in getting enough sleep every night.

HOW MUCH SLEEP SHOULD CHILDREN GET?

Age Group	Recommended Sleep
Preschool (ages 3 to 5)	10-13 hours
Elementary School (ages 6 to 13)	9-11 hours
High School (ages 14 to 17)	8-10 hours
