Message

Dear parents & carers,

It is with great excitement that I step into the role of relieving principal here at Trunkey. From the moment I arrived, I have felt incredibly welcomed and supported by the dedicated staff and friendly families—it's clear that this is a school with a strong sense of community and pride.

I'm committed to ensuring that every student has the opportunity to thrive in a safe, respectful, and engaging learning environment. My goal is to continue building on the fantastic work already happening here, helping each child reach their full potential—both academically and personally.

I've already had the pleasure of meeting the wonderful students, and I'm looking forward to getting to know each and every one of them better in the coming weeks. I also look forward to meeting more parents and carers—whether it's a quick chat at drop-off, pick-up, or at school events.

I would also like to mention that I will be utilising the school Facebook page to better showcase the wonderful things happening here at Trunkey. It will be a great platform to celebrate student achievements, share updates, and promote our school to the wider community. I encourage all parents and carers to interact with the page—like, comment, and share—so we can build an even stronger connection between home, school, and the wider community.

Thank you again for such a warm welcome. I'm excited about the term ahead and all that we will achieve together.

Warm regards,
Dave Cox

Acknowledging Wiradjuri Country

We acknowledge the Wiradjuri peoples as the traditional custodians of this land, upon which we come together to learn and to grow side by side. We value the diversity of our school community and pay our respects to First Nations Elders, both past and present. We support genuine reconciliation through effective communication and education; that which is based on mutual respect, trust and honesty about the past and within a true spirit of collaboration towards our shared future together.
