District Athletics Carnival: The weather held up enough to see the day go without rain (although it was much needed)! The Trunkey students represented their school and community exceptionally well, and I couldn't be prouder of them for giving their all. Well done to all students who went, and to the following students for their achievements:

George Gilbert: 1st place in High jump & long jump, 2nd place in discus, and 3rd place in the Small Schools Relay.

Erica Langworthy: 3rd place in discus and Small Schools Relay.

Henry Gilbert: 3rd place in discus and Small Schools Relay.

William Haines: 3rd place in Small Schools Relay.

Of these students, George has qualified for the western carnival in high jump and long jump, which will be held next term.

District Cross Country: Well done to Willow, Erica, and George who braved the elements to compete and represent Trunkey in the District Cross Country event. Students ran 3km around the Blayney Golf Course in the cold and rainy conditions. Well done to Erica who finished fourth and will progress to the Western Cross Country carnival.

COMPASS Choir: Primary students had a successful evening at Canobolas Rural Technology High School, singing in the COMPASS choir group. A huge thanks to Miss Bermingham and Miss Chapman for preparing the students for this event and for the countless hours of rehearsals. A congratulations to the students who performed at their best.

Australia's Biggest Morning Tea: Thank you to everyone who attended and contributed to the Biggest Morning Tea. The day was a success with much needed funds going straight to the Cancer Council.

Tournament of the Minds: Over the past term, students in stage 3 have been working and training for their upcoming event 'Tournament of the Minds'. The Tournament of the Minds provides our students with developing creative problem-solving skills, time management, enterprise, and the discipline to work collaboratively in a challenging and competitive environment. They will be required to solve demanding open-ended challenges from the arts. A big thanks to Mrs. Tracey Hicks (Assistant Principal Curriculum & Instruction), for preparing the students for this event. Students will be a part of a team made up of year 6 students from Neville, Carcoar, and Lyndhurst.
