Benefits of our Ready, Set, Kinder Program

Our transition and orientation program helps your child build confidence, meet staff, teachers and students, make friends, and feel ready for 'big school' over a period of 12 months.

Starting Kindergarten in 2027

If you have a Kindergarten aged child (one which will be turning 5 before July 31 2027 or turning 6 in 2027), then now is the time to seek enrolment at Tumut Public School.

For more information regarding enrolments, please contact the school office on **69472053**
