

31st March 2025

Middle School Program - 2025

Dear Parents / Carers,

Tumut High School is working closely with its partner primary schools to continue our Middle School Program which prepares students for high school and build on the values common to all our schools.

The beginning of secondary school is a critical time for students. The middle years span primary and secondary schooling, from Year 5 to Year 8. This transition can evoke a variety of emotions, behaviours, and possibly concerns for both young adolescents and their parents and caregivers. There are new roles, routines and expectations that the students will face. Evidence shows that appropriate educational programs during the middle years of schooling can create a strong platform for further secondary and post-secondary learning.

As part of the Middle School Program Year 6 students will be attending Tumut High School every second week from 9am to 11:05am. The overall purpose of these visits is to provide students with a variety of experiences so that they are able to seamlessly shift from primary to secondary school while continuing to learn and develop their social and emotional wellbeing.

For travel arrangements to and from Tumut High School families are to be guided by their primary school. Please refer to Middle School 2025 calendar over the page for dates of the Middle School Program.

For further information please contact Lauren Chapman, Middle School Co-ordinator, at Tumut High School on 6947 0600.

Yours faithfully,

Mrs L Chapman
Middle School Co-ordinator

Mr B Taylor
Principal
