Story Dogs

Thank you to all our families who supported our fundraiser for Story Dogs.

The Story Dogs program is a special initiative that helps kids improve their reading skills by allowing them to read to friendly dogs. In this program, volunteers bring trained dogs to schools, where students can read aloud to them in a calm and supportive setting.

The Story Dog Program is held each Thursday in the Year 1/2 classroom. This program enables our volunteer Bec and her dog Tilly to have an individual reading session with a couple of students each week.

Thank you Bec and Tilly!

This week, our kindergarten class visited Rathgar to spend time with the residents. The children enjoyed getting to know the residents and reading together, which brought a lot of happiness. This visit helped the children learn about kindness and the importance of community. It was a lovely reminder of how friendships can be made between different generations!

Dear Parents / Carers,

I am very aware that our southern carpark is limited in parking spaces in the afternoons. This means that many of our families have to park on the street to pick up children. Please remember that if you park on the opposite side of the road to use the pedestrian crossing to cross safely. It is the safest way to cross the road, avoids crossing between parked cars, ensuring you can be seen and most importantly you are setting a good example to the students at our school by role modelling this safe behaviour. We appreciate your support in this matter.

Kind Regards,
Mrs Rhodes
