## PRINCIPAL REPORT

Written by Olivia Parry

### Thank You For Your Support

I would like to extend my heartfelt thanks to all of you for your understanding and support last week in keeping your children at home when they were unwell. This collective effort has made a significant difference in our school community.

I'm pleased to report that this week we have seen a marked decline in the number of students absent due to respiratory illnesses. Your commitment to prioritising the health and well-being of our students not only contributes to their recovery but also helps ensure that our school remains a safe and healthy environment for everyone.

Thank you once again for your cooperation and for being active partners in maintaining the safety of our school community. Together, we can continue to support each other and create a positive learning environment for all our students.

### Important Reminder for 740s Bus Service Users

I would like to remind all students and families who utilise the 740s bus service that it is essential to use Opal cards for travel. Transport NSW closely monitors the usage of this service through Opal card data, and your compliance is crucial for ensuring the continued availability of the bus service in the future.

To avoid any disruptions, please ensure that your child has their Opal card ready for use each day. If your child does not yet have an Opal card, you can easily apply online by visiting the following link: [Apply for School Travel](#).

Thank you for your attention to this important matter, and for your cooperation in helping to maintain this valuable transport service for our school community.

YOU'RE INVITED

## World Storytelling Day: Thursday 20th March

Students from K-6 celebrated World Storytelling Day. It is a day where we celebrate the magic of storytelling and the joy it brings to our lives. Our wonderful students from K-6 were buzzing with excitement as they dove into the sequel to Frank's Red Hat – Neville's Great Escape!

We were quite lucky when Sean E.Avery visited our school last year and gave us a sneak peek (Shhh!) As you can see, we had a huge number of students attending the session and embracing the love and joy literature can bring to our imaginations!

# Kindergarten

Kindergarten are loving showing off their fantastic mathematical thinking this term! From exploring part-whole relationships to creating patterns and ordering length, our students are learning and growing each day.

Kindergarten have recently had their introduction to co-teaching, breaking off into mixed literacy groups with the aim of providing targeted learning to all students! The students are enjoying learning from different teachers. The Kindy teachers are also loving building relationships with students from across the cohort!

# School Leader Update

Written by Bener, Myka, Tom, Kiah

Welcome to the leader's report for Week 9! We have some exciting news about next week, because we're having our school Cross Country! We can't wait to go down to Wentworth Park and see everyone cheering for their house while everyone is running that challenging long-distance track. Good luck to everyone who will be competing!

Last week on Friday, we had the International Day for the Elimination of Racial Discrimination, where our SRC students in each class showed us a slideshow of all the different languages we speak in the school.

Also last Friday in the middle session was Earth hour! This is where we celebrate the Earth and we turn off all lights for one hour in the middle session.

We also just want to make clear how important it is to be wearing your hat at break times. Sun safety is a top priority in our school because it can get extremely hot and we don't want you getting sunburned. So please wear a hat at all times and put on sunscreen in the morning!

We can't wait to see you in Week 11!

## Message From The Anti Racism Contact Officer, Ms Jankovic

### Anti-Racism Policy

The Department of Education rejects all forms of racism and is committed to the elimination of all forms of racial discrimination in NSW public schools. The Department's Anti-Racism Policy aims to ensure that no student, employee, parent, carer or community member experiences racism within the school environment.

The policy asks all members of the school community to assist in countering racism by demonstrating respect for the cultural, linguistic and religious backgrounds of others, and by behaving in ways that promote acceptance and harmony in the school environment. Each school has an Anti-Racism Contact Officer (ARCO) who is trained to assist with countering racism and supporting the school community when making complaints of racism in schools.

With your support, we do the very best we can to ensure culturally inclusive, cohesive, safe and engaging learning experiences for all our students. If at any time you find that you have a concern about racism in our school, you are encouraged to raise this with the ARCO or talk with a member of staff so that your concern can be resolved.

Each school has an Anti-Racism Contact Officer (ARCO) who is trained to assist with complaints and countering racism. Our ARCO is Ms Dragica Jankovic. For more information about anti-racism and the role of the ARCO, see: [Anti-Racism Policy - Information for parents and carers](#).

A fact sheet providing information about the Anti-Racism Policy and the role of the Anti-Racism Contact Officer is available in 36 languages and can be found via the following link:

<https://education.nsw.gov.au/public-schools/going-to-a-public-school/translated-documents/anti-racism-contact-officer>

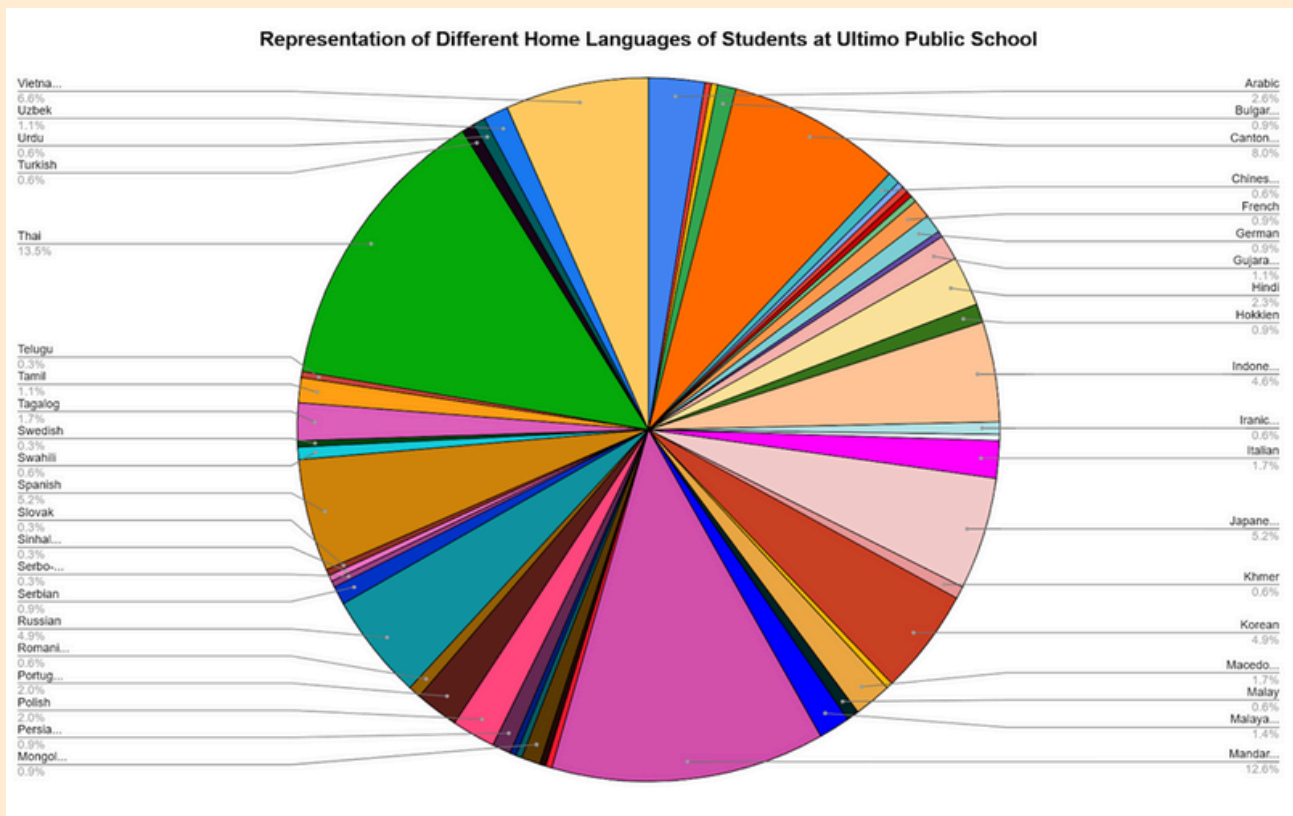

Please contact our ARCO if you or your child experiences any form of racism, witness anyone experiencing racism at our school, or if you would like further information or support. All emails to our ARCO should be directed to the admin team.

# INTERNATIONAL DAY FOR THE ELIMINATION OF RACIAL DISCRIMINATION

WE PROUDLY PRESENT THIS GRAPH DISPLAYING THE CULTURAL AND LINGUISTIC DIVERSITY OF ULTIMO PUBLIC SCHOOL IN 2025, IT IS A PRIVILEGE FOR US ALL TO LEARN AND GROW IN SUCH A WONDERFULLY ENRICHING ENVIRONMENT.

AT ULTIMO PUBLIC SCHOOL, WE VALUE AND TAKE PRIDE IN THE CULTURAL AND LINGUISTIC DIVERSITY OF OUR COMMUNITY. IN RECOGNITION OF THE INTERNATIONAL DAY FOR THE ELIMINATION OF RACIAL DISCRIMINATION ON THE 21ST MARCH, STUDENTS PARTICIPATED IN SCHOOL-WIDE ANTI-RACISM LESSONS, THEY LEARNT TO RECOGNISE RACISM AND HOW TO RESPOND WHEN THEY SEE OR HEAR INCIDENTS OF RACISM. STUDENTS EXAMINED THE CULTURAL AND LINGUISTIC DIVERSITY OF THEIR CLASS AND THEY CREATED PERSONALISED WELCOME SIGNS THAT REFLECT THE LINGUISTIC DIVERSITY OF THEIR CLASS. THEY CONTRIBUTED TO THEIR CLASS SIGN IN THEIR HOME LANGUAGES. THE PURPOSE OF THESE ACTIVITIES IS TO EMPHASIZE THAT AS A COMMUNITY WE ARE ALL RESPONSIBLE FOR SUSTAINING OUR HIGHLY VALUED CULTURAL AND LINGUISTIC DIVERSITY.

# Grow Your Mind

## Focus: Respect

**Respect** is treating each other in a way that shows we value what they have to say and feel. It means we treat people how we wish to be treated. If you are growing respect, you try to speak to people in way that honours their dignity and you give them a chance to be heard.

### What does it look like in our classroom?

- We raise our hands when we have a question or comment
- We give people our attention when they need it
- We listen to someone's point of view even if it is different from our own

### What does it look like on our playground?

- We say excuse me when we need to get past someone
- We make sure we give people personal space when they ask for it
- We put any rubbish we have in the bin

## Crunch&Sip®

### Information for parents and carers

#### What is Crunch&Sip®?

Crunch&Sip® is a set time during the school day for children to crunch on fruit and vegetables and sip water in the classroom.

#### What you need to do:

To be involved in Crunch&Sip®, please send your child to school with a water bottle and some ready-to-eat fruit or vegetables.

#### Why it matters:

Developing healthy habits can help children have better health and wellbeing throughout life. It can also help them do their best at school. Research suggests children who eat a healthy diet including fruit and vegetables are more likely to:

- **concentrate better and remember more**
- **perform better academically**
- **have better mental health.**

### What to pack for Crunch&Sip®

#### Some examples:

##### A bottle of plain, tap water

Water is the only drink allowed.

**A whole piece of fruit or a vegetable** such as a whole carrot, apple, mandarin or banana.

**Vegetable sticks** such as cucumber, capsicum, carrot or celery.

**Chopped, bite-sized pieces of fruit or vegetables** such as watermelon, pear, broccoli or cauliflower.

**Several whole pieces of smaller fruit or vegetables** such as cherry tomatoes, cooked corn, mushrooms, grapes or strawberries.

### Helpful tips for Crunch&Sip®

#### Add a variety of fruit and vegetables

You can use Crunch&Sip® to help children try new fruit and vegetables. During the week, pack a variety of fruit and vegetables.

#### Try other options when fresh fruit and vegetables are not available

Choose canned or frozen fruit and vegetables when fresh ones are hard to find. If your child would like to have dried fruit, they can choose to eat it at recess or lunch.

#### Plan ahead

Pack pre-washed, easy-to-eat fruit and vegetables, and a spoon or fork if your child will need it. No food preparation can be done at school.

#### Save time

Chop all the fruit and vegetables for Crunch&Sip® once during the week or when preparing dinner the night before. Cut fruit and vegetables can last up to 5 days in the fridge in an air-tight container.

#### Only pack fruit and vegetables for Crunch&Sip®

Please note that only fruit and vegetables can be sent to school for Crunch&Sip®.

Don't pack fruit juice; fruit products such as roll-ups, leathers or straps; potato or vegetable chips; fruit in syrup; popcorn.

Your child's school may request some food items not be brought to school where there are students with severe allergies.

### Tips to eat more fruit and vegetables at home

#### Get children involved

Children are more likely to try food they have helped prepared. Give children ways to help with food preparation like:

- choosing which fruit or vegetables they want at the shops
- washing and preparing fruit and vegetables.

#### Make fruit and vegetables readily available

Children usually prefer what's easily accessible. Keep fruit and vegetables in easy to reach places such as a fruit bowl on the counter or chopped vegetable sticks at eye-level in the fridge.

#### Crunch&Sip® at home

Try to make time on weekends or during school holidays for a quick fruit and vegetable snack.

#### Keep offering fruit and vegetables

Tasting and learning about fruit and vegetables is the best way for children to become familiar with them. Children may need to try new foods a few times before they like them.

#### Include vegetables at lunch and dinner

Add a variety of different vegetables to your day. Aim to include at least 2 to 3 different types of vegetables at lunch and dinner. Vegetables can be fresh, frozen, or canned. Try adding grated carrot or zucchini to pasta sauce or shepherd's pie or add salads to burgers and taco meals. It all adds up.

# School Student Travel

## School student travel information for parents and students

### School Travel Passes

Students who require a School Opal card or travel pass but have not yet applied need to [apply](#) or [update](#) their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Students living in rural and regional areas will receive their travel pass from their nominated transport operator. It may be issued via their school or be sent directly to them at home. **Note:** some rural and regional operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

### Terms of Use

**Students using School Opal cards must tap on and tap off** in line with the [Opal terms of use](#).

This includes travel within the approved times between 6.30am and 7.00pm from Monday to Friday on school days only. Students must use their Child/Youth Opal card for any travel outside these times.

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.
