PRINCIPAL REPORT

Written by Peter Lavander

As we approach the end of an amazing term, I want to take a moment to reflect on the many engaging learning opportunities and events our students have experienced. From the spirited Debating and Public Speaking competitions to the excitement of our Athletics Carnival, this term has been filled with moments that inspire growth and teamwork. Our students also shone brightly during the Port Jackson Performing Arts Festival, celebrated creativity and literacy during Book Week and Indigenous Literacy Day, and showed care and connection on R U OK? Day.

I would like to extend my heartfelt thanks to all our dedicated staff whose hard work and passion make these enriching experiences possible. Your commitment to our students' learning and wellbeing is truly appreciated.

Lockdown Drill

Please be advised that in Week 10, we will be conducting a Lockdown drill to ensure our school community remains safe and prepared. Teachers will discuss the purpose and procedures of the drill with their classes beforehand to support understanding and confidence.

Important Reminder About Safe Pick-Up and Drop-Off Procedures

As we strive to maintain a safe environment for all our students, I would like to remind everyone about the importance of following safe pick-up and drop-off procedures at our school. I have received concerns from community members about how our families are picking up and dropping off their children. Ensuring the safety of our students during these busy times is a shared responsibility, and your cooperation is crucial.

Here are some important safety tips for drivers using the drop-off and pick-up zones:

- **Use Designated Zones:** Always drop off or pick up your child from the designated drop-off and pick-up zones to ensure the safety of all students and to avoid blocking access for emergency vehicles. Do not allow your child to enter or leave your car if you have not pulled over to the curb.
- **Stay Alert:** Be aware of your surroundings, watching out for pedestrians and other vehicles, especially during peak times.
- **Follow Guidelines:** Adhere to the school's guidelines and any traffic signs or signals in place to help manage road safety effectively.
- **Do Not Obstruct Traffic:** Ensure that you are not parked in a way that obstructs the flow of traffic or creates a hazard for others.
- **Encourage Safe Routes:** Talk to your child about using the safest route possible when entering or exiting the school.

By following these guidelines, we can work together to create a safer environment for everyone during drop-off and pick-up times. Thank you for your continued support and cooperation!

Road safety

Driving and parking safely near schools

The beginning and end of the school day are busy times around schools. That is why you need to take extra care in 40km/h school zones.

Drive safely

- Slow down to 40km/h in the school zone and stay aware of crossings.
- At a supervised crossing, follow the directions of the School Crossing Supervisor. They help manage traffic and assist children to use the crossings on roads near and outside of schools.
- Always give way to pedestrians particularly when entering and leaving driveways.

Park legally and safely

- Parking signs are planned with children's safety in mind.
- Park safely and legally, even if it means walking further to the school gate.
- Always park and turn legally around the school. U-turns and three-point turns are dangerous.
- Never double park as it puts children at risk.
- Never park in a bus zone or in the school bus bay.

- Don't park across the school driveway or the entrance to the school car park.
- Make sure your child uses the 'Safety Door' (rear kerb side door) to get in and out of the vehicle.
- Model safe and considerate behaviour for your child – they learn from you.
- It's always a good idea to use the drop off and pick up area suggested by your school. This will help keep all children as safe as possible during the busiest times of the school day.

Children learn safe road user habits from you and will continue them when they are old enough to travel alone.

For more information on keeping children safe in the road environment visit the families section on [safetytown.com.au](https://www.safetytown.com.au)

Reading passport challenge

Over 200 Students Complete Our Reading Passport Challenge!

In the lead-up to Book Week, more than 200 of our students successfully completed our Reading Passport Challenge, a fun and engaging initiative designed around the 2025 Book Week theme: *"Book an Adventure."*

The challenge was presented in the form of a passport, encouraging students to explore different genres, borrow new books, and most importantly, discover the joy of reading for pleasure. Each stamp in their passport represented a completed reading task, from trying a new author, to recommending a book to a friend.

Students who completed the challenge were proudly awarded a Principal's Gold Award sticker and enjoyed a special reward- spending time with the Principal!

We're incredibly proud of all our adventurous readers and the enthusiasm they've shown. Here's to many more reading adventures ahead!

Reading Passport Challenge K Robots receiving their Principal Gold Award stickers

Premier's Reading Challenge-closes this Friday

2025 NSW Premier's Reading Challenge

Run, don't walk! The Premier's Reading challenge closes to students this Friday 19 September 2025 (Term 3, Week 9). Congratulations to all the students who have completed the challenge already. If you have any problems with entering your records, please contact Ms Barbagallo via the school office.

Students celebrate Indigenous Literacy Day

Last Wednesday, our school proudly celebrated Indigenous Literacy Day alongside the Indigenous Literacy Foundation. This national event is a special time to honour and learn from First Nations stories, cultures, and languages.

The theme for this year was *Strength In Our Stories: For Now & Future Generations*. Students had the wonderful opportunity to watch and listen to stories shared by three remote Aboriginal Communities, discovering the many unique ways storytelling strengthens culture and community.

Students also enjoyed exploring books from our Library's wide collection of First Nations stories. It was a joyful day filled with learning, appreciation and a deeper understanding of the importance of stories—both now and for the generations to come.

Celebrate Pamela Allen at the State Library NSW!

Sunday 21 September | 11 am – 2 pm | Free

Looking for a fun family outing? Visit **The Curious World of Pamela Allen** at the State Library! Enjoy story-time, craft activities and an adventure trail and meet beloved characters like Mr McGee and Alexander. Climb into Mr McGee's tree, flip through giant pages of *Bertie and the Bear*, and explore cosy reading nooks. Celebrate over 40 years of Pamela Allen's timeless stories in this playful, interactive exhibition — perfect for young readers and families alike! To find out more, visit the State Library NSW website.

R U OK? DAY

On Thursday, 11 September 2025, our school took part in R U OK? Day—a national initiative that inspires us to look out for one another and start meaningful conversations about mental health. The day reminds us that asking a simple “R U OK?” can have a powerful impact.

Students showed their support by wearing a splash of yellow and enjoyed the Backflips Against Bullying incursion—an engaging performance combining parkour and acrobatics with important anti-bullying messages.

Thank you for your continued support in helping us build a caring and connected school community. Together, we can make a difference—because sometimes one question is all it takes to change a life.

PBL Focus: Assembly

Respect

Responsible

Learner

This week for PBL, we are focusing on being respectful, responsible learners during assemblies.

Assembly Expectations

Respect	Responsible	Learner
<ul style="list-style-type: none">• Sit quietly• Stand respectfully for the National Anthem and Acknowledgement of Country	<ul style="list-style-type: none">• Walk safely to and from the stage	<ul style="list-style-type: none">• Voices off when the speaker is speaking• Look and listen to the speaker

Grow Your Mind

This fortnight we are focusing on **Social Intelligence**.

Social intelligence means you are aware of the motives and feelings of others. If you are growing social intelligence you start to know what to do to make people feel at ease.

What does it look like in our classroom?

- We can notice our feelings and those of others and label them
- We understand the way we behave in a classroom might be different than the playground or at home

What does it look like on our playground?

- We sense when someone is about to get upset and we try and help
- We see different points of view if there is an argument and come up with ways that help everyone

SCHOOL LEADER UPDATE

Written by Bener, Myka, Tom, Kiah

Welcome to the week 9 newsletter, last week we had RUOK day, a national initiative where you look out for your friends to see if they're feeling down. Even just asking your peers or teachers *are you okay?* can make a difference.

Last week we also had the Backflips Against Bullying incursion that taught us how to bounce back if one of us ever faces bullying in our lives.

This Thursday Stage 3 is going to the School of Rock Musical at SSC Balmain Campus (shoutout to our former students July and Savi!) and next week, we have our Stage 3 Mini fair which we are very excited to host. Furthermore, don't forget to buy your mini fair tickets and don't also forget that Stage 3 Poetry Slam Competition is still on, with the theme 'For the Wild'.

We hope you have a great week!

STAGE 3 FUNDRAISER!

Purchase 1

When?
Wednesday 24th
September.
DON'T MISS OUT!

An Update from the Ultimo Public School P&C ✨

Thank you to everyone who came along to the UPS P&C Family Picnic Day on 14 September – proudly sponsored by Ian Qiu from Morton, Floor Installers, and AccounTax Australia. It was wonderful to see our school community come together!

A big shout-out to our amazing volunteers and to Pyrmont Cares for their help with logistics – we couldn't have done it without you. 🧡

And most importantly thank you to all children, parents and careers who participated in making the event a memorable day. The stalls were amazing 😊

Looking ahead, World Teachers' Day will be celebrated in NSW on Friday, 31 October 2025. We're organising a special brunch to celebrate our incredible teachers, and we'll be reaching out soon for your support.

Finally, a delegation of P&C members together with the school recently met with the City of Sydney to discuss the possibility of a synthetic grass field at Wentworth Park for community use. We'll keep you updated as this exciting conversation progresses!

Christmas in Pymont has long been a major donor and supporter of our school, making substantial contributions to projects vital to our community. Let's show our appreciation by joining their fundraising Trivia Night at The Gallon—why not get a table together and help us give back?

80's Trivia Night @gallon

6:30pm Tuesday 28 Oct 2025

\$30 per person

(includes a welcome drink)

Break out the neon and leg warmers for a totally rad 80s-themed trivia fundraiser — test your knowledge, win epic prizes, and support a great cause.

Book now at Humanitix!

All profits go towards Christmas in Pymont

UPS Reading Corner @ Sydney Streets

Saturday, 28 March 2026 | Harris St

We're excited to partner with local businesses and supporters who want to be part of something special. By sponsoring an event or service, you'll connect with the community in a meaningful way while gaining great visibility.

Got a talent for turning gatherings into unforgettable experiences? We're calling on hospitality heroes, DJs, artists, and influencers to help us light up the school community and support our students! Whether it's smooth tunes, stunning visuals, or social buzz—we'd love to collaborate. Reach out and let's make magic happen!

 Contact the P&C: secretary.ultimopandc@gmail.com

 Next Meeting: 6:30 PM, Monday 27 October 2025—at the school! You are all welcome to join!

Join the P&C today!

Whether you're new to the school or a long-time parent, there are many ways to get involved—your support makes a real difference!

9:00 AM TO 3:00 PM
SYDNEY SECONDARY COLLEGE
BALMAIN CAMPUS**

Further details found within pamphlet.

CAN'T WAIT TO GET TO HIGH SCHOOL?

JOIN OUR 2025 PENINSULA ENGAGEMENT PROGRAM

The Peninsula Engagement Program (PEP) is an enrichment, extension and transition program for high potential and gifted primary students in the Balmain peninsula. PEP has been designed and implemented in response to demand for programs which cater for the many high ability students in our local area.

Year 4, 5 and 6 students from Balmain Campus partner primary schools are invited to apply for a position in the Peninsula Engagement Program.

PROGRAMS AVAILABLE:

**GIRLS STEM CLUB
DOWN BY THE WATER - KAYAKING CHALLENGE
PIXEL TO PLASTIC
AMAZING SCIENCE - SCIENCE IS FUN
HSIE TASTER
TECHNOLOGY TASTER**

COST: \$40

REGISTER HERE:

**Sydney
Secondary
College
Balmain**

DESIGNED TO CHALLENGE

DOWN BY THE WATER - KAYAKING CHALLENGE (MAX 16 STUDENTS)

With the SSC Balmain's close proximity to the Parramatta River and Balmain Cove (The Bay) we aim to provide opportunities for students to engage in a range of activities in class and during school sport and make the most of this fantastic natural resource. One popular activity we run at SSC Balmain is kayaking. Students will get to learn the basic paddle strokes for kayaking, water safety and the benefits of outdoor physical activity. Spaces are limited to a maximum of 16 students on the water. Students should have a strong swimming ability.

HSIE TASTER (MAX 16 STUDENTS)

In Human Society and its Environment students explore the world around them. As part of the Peninsula Engagement Program they will be engaged in an enquiry regarding the unique environmental features of Balmain, and a hands-on historic mummification process.

TECHNOLOGY TASTER (MAX 20 STUDENTS)

Students will get a taster of studying Technology in high school by undertaking small projects using the equipment and tools available such as engineering, timber, textiles and food technology.

PROGRAMS THIS YEAR

AMAZING SCIENCE - SCIENCE IS FUN (MAX 24 STUDENTS)

Amazing Science - Science is Fun will involve research in an area of Science the students are interested in and fun interactive science demonstrations, challenges and activities. Students will be placed in groups and present their research to their peers at the end of the second day. Each group will be supplied with a laptop loan device and will join a Google Classroom where they will be able to create their presentations.

GIRLS STEM (MAX 16 STUDENTS)

The SSC PEP Girls STEM Club will involve taking part in a variety of self-directed projects in STEM areas. PEP students will work together with Balmain Campus Girls STEM Club participants in undertaking activities which may include 3D printing, robotics, Engineering STEM challenges, Rockets, Makey Makeys and Adafruit Playground Express activities.

PIXEL TO PLASTIC (MAX 12 STUDENTS)

Focusing on introductions to 3D design and giving students hands-on experience in being able to 3D print using filament printers.

WHAT'S BEEN HAPPENING

Hello Team Kids families and friends!

As we are gearing up for our spring vacation care, please remember to [make your bookings soon to secure your spot in our exciting program.](#)

We've had an incredible couple of weeks, especially with our clubs!

Cooking Club continues to be the children's favourite—we've enjoyed so many delicious recipes here at Team Kids. The standout so far has been the fruit face plates, which the children absolutely loved! It's wonderful to see them collaborating, learning about ingredients, and building new skills together.

Last week we announced the winner of our **Father's Day hamper**. A big congratulations to Mr Amini for taking out the raffle draw; what a pleasure it was to celebrate Father's Day this way!

This Tuesday 10th of September we're excited to celebrate **National Play-Dough Day!** We'll be setting up different themed stations for the children to enjoy, including:

- Making your own playdough
- Playdoh free play
- Playdoh sculptures
- Take-home recipe cards

We're also still welcoming **parent suggestions** for our program, menu, and additions to our community board. You'll find a suggestion sheet on our sign-in/out desk.

If you have any questions, please reach out using the contact info below or ask the staff onsite. Our Director Xanthe (0401 482094) is always available to help.
