Umina Beach Public School: Before and after school care

At Umina Beach Public School, we understand that Before and After School Care (BASC) is important for many of our families, offering safe supervision for children outside regular school hours. Also referred to as OOSH care (Out Of School Hours care), this community support program offers a variety of fun, engaging, and developmentally appropriate activities, including arts & crafts, outdoor play and sports, STEM and problem-solving activities, cooking experiences, excursions, and themed events during Vacation Care. At UPBS, **Coastwide OOSH** provide care for our students before and after school. Coastwide OOSH is operated by Coastwide Child and Family Services (CCFS), a trusted provider with over 43 years of experience in early childhood education and care. Coastwide are committed to providing high-quality, child-focused services at UBPS.
