WAKEFIELD SCHOOL
Gymnastics Permission Note

30/03/2026

Dear Parent/ Caregiver,

Our school values sport and physical activity and the essential role it plays in contributing to the overall wellbeing of all students. School sport is co-curricular and is a mandatory part of the school week for all students.

This term, your child will be participating in sport and physical activity that involves transport, costs and/or personal protective equipment.

Table 1 lists the offsite activity students can participate in this term. Please take note of the location, travel, cost, and equipment students are required to bring including any changes to arrival or dismissal times.

Table 1

SPORT	School equipment supplied	Student equipment required	Location	Travel	Supervising teacher	Cost	Changes to school arrival/dismissal arrangements
Gymnastics	Equipment supplied at the premise	Personal water bottles, socks, comfortable black or navy sports pants/shorts	Hunter Sports Centre, Glendale	School Vehicle	Class Teacher	$0	Depart school 12.00pm Return 2.00pm every Monday

Accident insurance information

In the event of injury, no accident or medical insurance cover is provided by the NSW Government Treasury Managed Fund for students participating in school sporting activities, physical education lessons or any other school endorsed activity, unless there is a breach of duty of care by department or school staff. The NSW Department of Education is insured to meet the financial impact of any legal liabilities arising from its activities. It does not provide, nor has it ever provided, accident or medical insurance for students enrolled in government schools.

Concussion management

When a student enrolled in a government school is diagnosed with concussion, the principal must be advised in writing as soon as the diagnosis is confirmed. Students may only return to sport and physical activity once a medical clearance has been provided to the school and, if at a school sport event, to the supervising teacher.

Any student that experiences a suspected concussion during a school-endorsed activity, will be removed from the activity and parents/carers will be advised that a medical follow-up is required.

If medical clearance is not provided, the student cannot participate in vigorous or competitive school sport or physical activities for 21 days from the concussion date.
