

Wangi Wangi Public School – Uniform Expectations

Our uniform is an important aspect of who we are as a school community. One of our school expectations for students is “*wear uniform with pride*”. We encourage students to do this through rewards as part of our Positive Behaviour for Learning program. Students are expected to wear their uniform to school every day. Wearing school uniform creates; Unity among students, Builds a sense of confidence, Saves time and Saves costs for families, Is fair and equitable for everyone, Improves discipline.

If you require financial support to assist with the cost of school uniforms, please contact the school to make arrangements.

If you are having difficulty with your child wearing school uniform or disagreeing with you about what is AND isn't our uniform, please refer to the table above and images overleaf, or contact the school for assistance. Students who are out of uniform will be asked by staff for a reason. Please provide your child with a note or contact the school to explain if your child is out of uniform on any given day.

Students who are persistently or deliberately out of school uniform will be reminded initially and then face consequences as part of our school behaviour policy.
