

# Warrawong High School

## Works notification | 22 April 2026

Dear staff, parents, carers and neighbours,

During the recent autumn school holidays we began setting up the construction site for the re-configuring of the school library and administration buildings at Warrawong High School.

This project will see the library become the administration building and the administration building become the library following a successful application to the Federal Government to receive funding through the School Upgrade Fund.

Temporary fencing has been installed that prevents pedestrian access through the western side of the school.

The only pedestrian access currently available is through the stairs adjacent to the driveway. Please see the map below.

Email: [schoolinfrastructure@det.nsw.edu.au](mailto:schoolinfrastructure@det.nsw.edu.au)  
 Phone: 1300 482 651  
[schoolinfrastructure.nsw.gov.au](http://schoolinfrastructure.nsw.gov.au)

This project will include:

- construction of new internal walls
- relocation of services such as data and electricity
- installation of new technology such as computer terminals
- relocation of all amenities and services between the library and administration buildings.

Secure Building Solutions has been appointed to complete the construction work.

Work has begun with demolition of the internal areas of the library underway, and is expected to be finished by the end of Term 3 2026.

Construction vehicles and equipment will be used throughout this project which may cause periods of noise.

Work hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with [NSW Environment Protection Authority guidelines](#). We will work with the school to minimise operational interruptions.

For more information on how construction will be managed, please visit the School Infrastructure website: [Managing construction impacts in your community](#).

We will keep the community updated.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.
