SPECIAL MENTIONS

This week, our talented young athletes faced off against St Columba Anglican School, one of the top contenders in our region.

In a highly competitive match, our team showcased remarkable determination and skill, holding SCAS to a 0-0 draw at halftime.

This was an impressive feat, especially considering we were up against a team that was mostly 15-year-olds, while our squad was made up of talented 14 and 13-year-olds.

Although the match concluded with a 5-0 scoreline in favour of SCAS, our players demonstrated exceptional teamwork and resilience throughout the game. Their hard work and commitment to competing at such a high level are commendable, and it is clear that they are developing their abilities and gaining valuable experience.

We are incredibly proud of our U15 team for their effort and sportsmanship. Every match is an opportunity for growth, and we are confident that with continued practice and dedication, our young athletes will only improve.

Bring on Cumberland!!!

NORTH COAST RUGBY LEAGUE TRIALS

On 10th April, four Wauchope High students represented Southern division (Lower North Coast and Mid North Coast) against Northern (Northern Rivers and Far North Coast) at Coffs Harbour, fighting for selection in the 15s Boys, 16s and Open Girls North Coast Rugby League teams.

Often the ability to be chosen in a trial situation comes down to which position you are playing, your opposition player and the opportunities given to you in both attack and defence. Forwards and halves tend to see more ball than outside backs, so it can be difficult to shine at times out wide.

At the end of four quality games played on the day, Josie was selected in the Open Girls, Emilie in the 16s Girls, while Chloe and Billy were unable to make their respective teams, despite playing well.

Josie and Emilie now play for North Coast against Hunter on the 30th of April, in a bid to make the Northern NSW team which will then proceed to the CHS Selection trials in Wollongong.

Good luck to both girls 🙌🎉

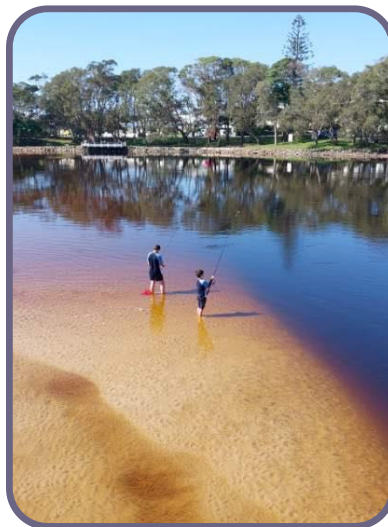

BROSPEAK ON COUNTRY

Our BroSpeak students had an amazing day out on country on the 4th April, where they joined local elders and community knowledge holders for a fishing trip facilitated by Tristram from Strong Spirit Services.

The boys had an incredible time, catching heaps of fish while learning about traditional practices and cultural connections to the land.

A huge thank you to our community mentors and knowledge holders for guiding us through this experience and sharing their wisdom with the next generation. What an unforgettable day of learning, yarns, laughter, and connection to country!

IRONMAN

On Sunday the 4th of May, 25 students and 7 staff members represented Wauchope HS with pride, volunteering to run two stations along Telegraph Point Road at Ironman Australia 2025. Despite the challenging weather conditions, our students and staff went above and beyond to provide nutrition and hydration to the athletes and support crews, direct the athletes along the course, provide basic first aid to athletes in need, and above all else, cheer, encourage, console, assist and support every single athlete in their mammoth efforts to complete the 180km bike leg. Thank you to all our volunteers for 2025!!!

WAUCHOPE SHOW

On the Saturday of the Wauchope Show our School Show Team participated in the Beef Cattle Competitions. Six students attended the Show and two of our members were unable to attend. The day began with Cattle Parading competitions and while our students did not place in their heats I have seen a real improvement in their skills with leading cattle and their confidence in being in front of a judge.

Next up were the Stud Cattle classes and we were very successful in the Red Poll Breed taking out 4 first place ribbons and then the Champion Red Poll Cow and Calf class as well as Reserve Champion Red Poll Female. Our Crossbred Heifer competed in the 400-500kg class but was not successful in placing.

Congratulations to Alana D, Miley M and Amali S from Year 9 for their effort on the day and in the weeks leading up to the Show. Also thank you to Zara S and Erin F who while they could not be at the Show were involved in all of our lead up work in preparing cattle.

Finally I would like to acknowledge the three Year 12 students in Dylan T, Miah A and Emily J who participated in their final Show as Wauchope High School students. These students have been involved in the Show Team since Year 8.

The Team cannot operate without the assistance of our Farmhand, Mr Noel Tape and I am very grateful for the work he does in support of me and the Team.

ROYAL EASTER SHOW

At the Royal Easter Show, our students, alongside multiple other schools, completed their mandatory work placement by running the Rural Café as part of their cookery course. They demonstrated exceptional teamwork, professionalism, and a positive attitude throughout the experience. Their behaviour was outstanding, and they received glowing feedback from both staff and visitors for their friendly service and the high standard of food they prepared and served. Well done to William G, Marcus C, Eleanore J, Abby-Rose F, Abigail G, Miah A, Hayley M, Shayla M, Indy H.

MOTHER'S DAY BREAKFAST

A huge thank you to all the wonderful mums, grandmothers, carers, and special women who joined us at our Mother's Day Breakfast BBQ.

It was a beautiful morning filled with smiles, laughter, and connection as we celebrated the incredible women in our students' lives. We loved seeing so many families enjoying a bacon & egg roll, brownies, a cuppa, and a chat before the school day began.

Your presence made the morning extra special, and we are so grateful for all you do.

Wishing all our amazing mums and caregivers a very Happy Mother's Day!

The WHS Mothers Day Stall was a great success! A big thank you to Mrs Virginia Cox for her ongoing support and dedication to the students at Wauchope High School. A donation of \$220.50 was made to Legacy Op Shop.

SCHOOL'S OUT RADIO SHOW

Wauchope High School presents the School's Out Radio Show live on 2Way 103.9fm each month. Students share news about our school, talk about topics of interest and select music to play.
