Public Education Week 2025

4-8 August
Ignite your potential

Public Education Week 2025

Education Week

Public Education Week 2025 celebrates this year's theme, Ignite Your Potential. I would like to take this opportunity to thank all our school staff and families who uplift the learning of our students every day and try to help them realise their potential.

On Thursday 7 August we are inviting parents to visit your child's classroom to see your child/ren in action and look at some of their work that they are proud of. It would be lovely if we could have as many parents as possible attend to make your child feel special. If you can't make it, please consider sending a grandparent. We will email a school map via School Bytes prior to the day. Ask your child what class they are in, where their room is and who the teacher is. I know this sounds funny, but some grandparents may not know this information and

would you believe the occasional parent. Ha ha. Obviously, stay at home if you have flu-like symptoms.

I have a few favours to ask. Please adhere to the times so we know exactly when parents are in rooms. Please don't take your child out of their classroom. This is so we know where all children are for safety reasons. You are welcome to look around our beautiful school grounds but please do it by yourself. The last favour is that the siblings don't leave the room and visit their siblings' room. This historically has caused disruption, and we want you to just focus on one child in each class.

for all of us to come together and celebrate our commitment to ignite our student's potential. Let's take pride in being part of NSW public education and the endless and far-reaching achievements of our students and staff.

This is also an opportunity to acknowledge our exceptional staff, celebrate the achievements of our students and recognise why we proudly choose public education, where every child reaches their full potential and every child is welcomed with open arms.

Kindergarten 2026

We are currently taking Kindergarten enrolments for 2026. If you have a child who turns 5 by July 31, 2026, then you need to complete an enrolment form. Please feel free to visit our school and collect an information pack including an enrolment form from our friendly office staff. It is helpful for us to receive these completed forms by the end of Term 3 2025 so we can start to plan our 2026 classes and make staffing decisions. If you have relatives or friends who have a child commencing school next year, please pass on this message. New parents are welcome to contact myself to discuss your child and/or what our wonderful school has to offer.

We will have a Kinder Mini morning on Wednesday 17 September between 9:30am and 10:30am.

Semester 2 Mathematics Textbooks

All students have now been invoiced for the Semester 2 textbook. It would greatly assist us if parents could pay this small fee.

Kindergarten 100 Days

Friday 8 August will be another fun day for our youngest students. They always look amazing.

Silver Awards

Congratulations to all our Silver award recipients this week. Very well deserved.

National Aboriginal and Torres Strait Islander Children's Day

On August 4, families and communities come together to celebrate and learn about the culture and strengths of Aboriginal and Torres Strait Islander children.

Sport

Congratulations to our boys and girls PSSA basketball and soccer teams. They all played well with our basketball teams having a few wins. Well done boys and girls and thank you Mr Geary, Mrs Burgess, Mr Barron and Mr Taylor for coaching the teams. Our girls rugby sevens team played a fantastic game against Lennox Head PS. Unfortunately, they had a 5-3 loss.

Good luck to our PSSA netball team for their round 4 game on Monday and to our girls PSSA cricket team for their game on Wednesday.

Stewart House

We are lucky to have six students invited to attend Stewart House in Sydney over the next two weeks. A big thank you to Mrs Newell who nominated and completed the application forms and has been supporting our students and families with preparation for their big, exciting trip.

Cameron Osborne
Principal

Australian Primary School Principal's Day August 1,

Mr Osborne, we honour your unwavering dedication, visionary leadership, and commitment to every child, family, and staff member. Your guidance shapes not just our school's direction, but the hearts and minds of our school community. Thank you for leading with compassion, integrity, and purpose! Make sure you wish Mr Osborne a happy Principal's Day!
