First day back

Our Wee Jasper Public School students were keen to start the new term to warmly welcome our three new students:

- Chi Chi - Year 6
- Dubie - Year 3
- Chidinma - Year 1

Our students spent the day getting to know each other and have bonded well over a great game of soccer with Ms Andrews.

Wee Jasper Public School's vision

Our school will remain the heart of our small rural community. Here, core values will be learned and lived, as every learner is fully engaged and challenged, in preparation to making their contribution to our complex and dynamic society. Every student will be known, valued and cared for and experience a secure sense of belonging and connection to this school, community and land. All students will be literate, numerate and curious. We will continue to see the diversity of our community as a pedagogical strength and draw upon our diverse human and natural resources to sustain learning. In this way, we will counter the potential disadvantage of living in a small, remote community.

Wee Jasper Public School Wood Raffle

Prize:

2 tonnes Yellow Box, split and delivered to Yass or Wee Jasper only.

Drawn at 3pm on Friday 31st August, at Wee Jasper Public School.
