#### Principal's message

Students and staff continued to shine this term. Congratulations to Mrs. Kim Rowling for her professionalism and dedication to our school while she relieved as Principal for the first four weeks. It was brilliant knowing our staff remained focused on our core business of student learning and wellbeing.

Under Kim's strong leadership, our current and relieving staff members provided a rich tapestry of exciting learning experiences for our students. Thank you to Mrs. Sharlee Cassidy for relieving as APCI and to Ms. Kim Morrison who taught as the part-time teacher on Thursdays and Fridays. A special thank you to our community who welcomed Kim Morrison to Wee Jasper while she resided at my house and experienced how truly magical, living in Wee Jasper is. Of course, our students were the superstars and relished in every opportunity.

Recently I had the great pleasure of seeing our incredible P&C create another outstanding fundraising event, by hosting the Outback Car Trek luncheon. We are truly blessed to have such a resilient and hard-working P&C. This year has been a massive year for our P&C, and despite the fatigue caused by all these events, they still front up, with a smile, and support the school. You are truly inspirational, and I appreciate all that you do, to assist us financially in providing extensive opportunities and diverse learning programs for our students.

We look forward to celebrating the success of our students at our Presentation Evening on Friday 13 December at the WJ Memorial Hall. We cordially invite our community to come together and celebrate our fabulous small school one last time for the year. Doors open at 5:30pm for a sausage sizzle, and we will start formalities at 6pm. Please BYO nibbles and drinks.

In anticipation for 2025 and aligned with NSWDoE policy, all temporary positions must be advertised annually. We are currently seeking 'Expressions of Interest' (EOI) for the following positions. Part-time teacher, General Assistant, School Administration Officer and Student Learning Support Officer. More information is provided in this newsletter. All EOIs are to be emailed to <a href="Michelle.andrewsl@det.nsw.edu.au">Michelle.andrewsl@det.nsw.edu.au</a> by 10am Tuesday 10 December. Please do not hesitate to contact me for further information.

#### Michelle Stewart

Teaching Principal

#### P&C 2024

The P&C would like to thank Helen, Wendy, Carol, Janet, Tiff and Daisy for their huge efforts. You ladies made the Outback Car Trek luncheon on Wednesday the 13th of November a great success.

We would also like to extend an extra special thanks to Wendy, Helen and Janet for their generous donations of time and items that went into the raffle. Also, for their fabulous cooking. Thanks, ladies, for going above and beyond once again!

We are still calculating funds raised but thanks to the hard work of the P&C and the generosity of the Outback Car Trek members, we raised approximately \$2000.

Thanks once again to everyone who helped out.

Bridgette Cathles

Wee Jasper Public School's vision

Our school will remain the heart of our small rural community. Here, core values will be learned and lived, as every learner is fully engaged and challenged, in preparation to making their contribution to our complex and dynamic society. Every student will be known, valued and cared for and experience a secure sense of belonging and connection to this school, community and land. All students will be literate, numerate and curious. We will continue to see the diversity of our community as a pedagogical strength and draw upon our diverse human and natural resources to sustain learning. In this way, we will counter the potential disadvantage of living in a small, remote community.

#### School news

#### Artwork

The students have continued to learn about the Russian artist Wassily Kandinsky. Here are their most recent artworks.

#### School news

#### Learning with Ms Morrison

Our Year 1's, Charlotte and Ava, had a great time learning with Ms. Morrison while our Year 3 students, Abi and Tilly, played chess at Breadalbane PS.

#### STEM PLC

Simultaneous with the Outback Car Trek, we also hosted the most recent STEM PLC. This proved to be an overzealous idea, and we believe that we probably took on too much for one day.

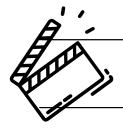

However, the students had a brilliant time learning about one of the most important pigments in nature, chlorophyll and the important role it plays in photosynthesis.

A farewell to a WJPS staff member

We thank Cameron Kellett
for his hard work and
dedication to our school over
the past 12 months. As
General Assistant, Cameron
kept our school grounds
beautiful. We thank Cameron
for his on-going support to
the staff and students as
well. Cameron will be missed
by all, and we wish him all
the best for his future
endeavours.

#### Out and about

#### FILMING IN WEE JASPER

On Tuesday, at recess, the students were invited to go and have a quick look behind the scenes of a short film that was being filmed at the Wee Jasper Distillery. Michelle, the director, chatted with the students about all the steps in the film making process.

Left: Students on set looking at the props being set up  $% \left( 1\right) =\left( 1\right) \left( 1$ 

Right: Michelle showing students her script and how the dialogue is set out for timing during the filming

#### Out and about

#### Arabin Cup

Our Wee Jasper students went to Binalong Community Club on 24 October to compete in the Arabin Cup against other small schools. Our students displayed good sportsmanship and played their best.

Well done, Wee Jasper!

#### Chess Tournament

Abi and Tilly represented WJPS at Breadalbane Public School where they played chess on the 8/11/24 with other small schools. Abi won 2 games and Tilly won 3 games.

Great Work!

#### Out and about

#### Outback Car Trek Our Fabulous P&C Fundraiser

Forty 4WD enthusiasts thoroughly enjoyed their visit to Wee Jasper, and for many it was their first visit. This charity group raise money for the Royal Flying Doctors and also small communities and organisations. We were lucky enough to be selected for 2024.

Our P&C hosted the luncheon as a fundraiser. The quality of the food was sublime! P&C created a beautiful atmosphere at our Memorial Hall. They sold raffle tickets for a range of prizes. School memorabilia was included, as well as generous donations from Janet, Helen and Wendy. Our P&C also sold some of our 125-year anniversary memorabilia. The Outback Car Trek then auctioned off a box of apples. The winning bidder bid \$2,000. Half of this was donated to the Royal Flying Doctors and the other half was donated to our P&C. The generous bidder also gifted our school with the box of apples, which students, families and staff have enjoyed.

There was so much positive feedback from the enthusiasts, that Bill Patrick, the CEO of Outback Car Trek, is interested in returning in 2025 to offer P&C an opportunity to host 200 enthusiasts. This would be a massive event and is on the agenda for this Friday's P&C Meeting. This is a massive compliment to our incredible P&C.

In 2025, we will also be hosting the Variety Bash crew.

A big thank you to Bill Patrick and the Outback Car Trek Charity

#### Christmas gif t ideas

Looking for Christmas Gift Ideas?

We have leftover memorabilia from our 125-vear event available for cash sales or cheques (only).

We think they could possibly make amazing Christmas gifts. We have put together some packages, which are of great value and only available from school.

Please feel free to pop into our office, or email

Wendy.griffiths15@det.nsw.edu.au

Thank you to Jenny & Paul at Reflections, for also memorabilia on behalf of the school.
