School closed (enterprise agreement)	Monday	23	November

Dear parents,

Arthur Conlon will be visiting the school on 11th August .

I am a 49 year old Aboriginal artist from the Wakka Wakka / Kullilla people of Cherbourg. I am 1 of 14 children and a member of a much larger extended family.

I started painting from the age of 9 by studying the skills of my uncles.

Completed Yr 12 at Murgon SHS, Teacher Aide, Army – 10 Years and now a successful self employed Artist.

Gunning excursion 19th August

We will be travelling to Gunning for the day by bus and participating in creative and performing arts. More details to come.

Artist Day – Monday 7th September

Sharon Rowland will be visiting the school on 7th September.

Sharon's workshops with school students have been structured in such a way as to introduce valuable drawing skills gradually in order to encourage confidence and enthusiastic engagement. Sharon strongly believe in the force of CREATIVITY, she allows students to discover their own drawing style. Sharon just give them the tools and tricks.

Involvement

When visiting schools I am there for the whole day, even staying back with the staff for up to 2 hours of free art consultancy or professional development. I have always had a passion for art and sharing this passion, in a humorous and entertaining way. I hope the experiences I create are more than memorable ... I want them to be wonderful!

Bongongo and Brungle will be joining us for the day and the P&C will be catering recess/lunch. Parents are welcome to participate in the art classes. Please advise if you are coming.

Goulburn excursion 8th September

We will be traveling by bus to Goulburn to participate in cultural and science activities. Deborah Hoolihan will be driving the bus and pick up/drop off details will be arranged closer to the date.

The activities commence at 10.30 am sharp. There are seven 30 min sessions during the day

Six activities and one lunch session, (Lunch: sausage sizzle, fruit and bottled water are provided to all staff, students, parents and participants on the day free of charge), The last activity finishes at 2.00pm

Each cluster has one highlight event such as Rock climbing , Fizzics Education, the National Dinosaur Museum, marine biology activity, Australian Reptile display, Laser Skirmish, a meditation activity and Wheelchair sports NSW, they also include, a combination of sports including cricket, Brumbies, NRL, AFL, hockey, golf, tennis, etc and cultural activities, road safety, recycling, dance, art, and community activities such as Police, Ambulance, Fire Brigade, RFS.

Permission notes will be sent out Monday.

Thanks Deborah
