Chinese New Year

Over the last two weeks students have been busy making Chinese dragons and lanterns, learning about Chinese New Year and enjoyed a Chinese feast, where they were encouraged to try different dishes and use chop sticks.

Video Conferences

Students have participated in two video conference lessons; one about fire ants and their impact on our environment;

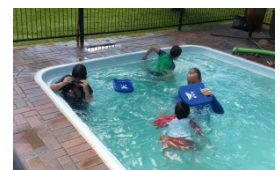

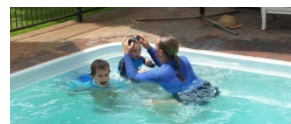

Swimming Lessons

Students are enjoying swimming lessons at The Cathles' pool on Friday afternoon. A lesson, an art activity and a game make for a lovely end to the week.

We are also learning about water safety and how to "do the five to stay alive".

Thank you, Helen and Tim for the use of your lovely pool and garden.
