## FROM THE PRINCIPAL'S DESK

What a great Week 4!

Our great attendance numbers continue with the boys and girls tied at 88% this week, with Stage One leading the way.

I mentioned our wonderful Canberra Excursion last week and all the great reports we had from the venues. I also need to acknowledge the support from Pacer that allows each student to benefit from a \$90 rebate on the excursion. This allows it to be far more accessible given where we are with the cost of everything.

Well done to our debating teams who went head-to-head yesterday. It was a close debate with an interesting topic related to teachers and their involvement in our sporting teams.

As I have mentioned, planning is now well underway for our Preschool to Kinder transition. If you have a child starting Kinder in 2026, we will be getting enrolment information out through each centre over the next two weeks. There are lots of dates:

Our staff have been visiting each centre this week.

All students whether they are going to attend WPS or not will be invited to a Big School Excursion in Week 6 on either 26th or 27th August and an extra session now on the 28th.

Please also encourage any friends who may be thinking of enrolling with us to get their enrolment forms in and to also attend the parent information evening at the school from 5pm on Tuesday 16th September. We are also encouraging families to book a school tour before then to come and have a look around and experience the great vibe and programs that we have on offer at WPS.

The Term 4 transition will run each Friday from the 24th October to the 5th December from 8.45am to 2.30pm.

Our P&C Meeting was very well attended yet again. The BASC obtained a very positive review thanks to all the great work going on to make it a fun and engaging place for our kids. They are now gearing up for Father's Day so please support the selling of gifts and the breakfast if you have time.

Thank you again for being an amazing school community and have a great week!

**Airlie Forrest**

## FAVOURITES

Favourite subject at school – learning sounds.

Favourite Recipe – Spaghetti Bolognese

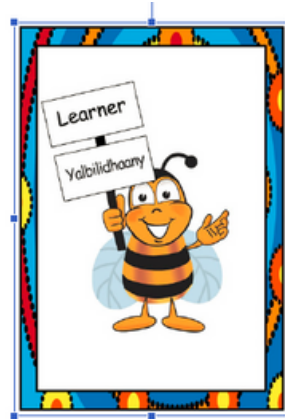

Favourite place at WPS – Kitchen Garden

Airlie is a hard working, kind and fun class member of Kinder Blue. She is most proud of the friendships that she has made and how she is learning so many new things.

Airlie loves to swim and if she could invent her own holiday, she would let everyone go to the snow.
