2025 Term 3

1. THIS TERM

Dear Parents and Carers,
Thank you for your continued support throughout another wonderful term. It has been a pleasure to see our students engaged and thriving, and we appreciate your partnership in their learning journey.

A reminder that this Friday is Out of Uniform Day, with a gold coin donation collected by the P&C to support our school initiatives. We thank you in advance for your generosity.

Please enjoy the upcoming holiday, with students returning on Tuesday, 14th October.

2. IMPORTANT REMINDERS

As we move into the warmer months, a reminder that we promote sun safety. Students are to wear a school hat to play in the sun. We have the Library, small and Large COLA as shaded play spaces.

3. REAL SCHOOLS

One-on-one affective interactions are an effective way to help children understand their actions, express their feelings, and work towards making amends. This method involves guiding children through a process of reflection and resolution by discussing the past, present, and future. Here's how parents can use this approach effectively at home.

The Process: Past, Present, Future

1. Past (What Happened?)
2. Present (How Do You Feel?)
3. Future (How Do We Repair the Harm?)
