2025 – Term 2 – Weeks 1 - 5

A message from Principal Mrs Bugeja

Welcome back to Term 2! I hope you all had a safe and happy school holiday. It's lovely to see our students smiling and ready to learn again.

Term 1 ended in such a wonderful way with some amazing events at school. Harmony Day was a special celebration of our school's different cultures. Thank you to our staff and P&C for organising engaging activities and to our families, for sharing tasty cultural share plates.

We also had a visit from the Australian Ballet Education Outreach program. Our ballet, circus and hip hop students had the opportunity to improve their skills and learn new routines before performing them in front of family and friends. We were also treated to a performance from the Australian Ballet. Thank you to the Australian Ballet Education Outreach program for this incredible experience.

To finish the term, we held our Easter Hat Parade. The creativity on display was fantastic and we loved seeing our students and staff get into the groove during the parade! Thank you to everyone who supported the P&C Easter raffle. There were many amazing prizes on offer!

Now we are ready for Term 2. There are many exciting things happening. On the recent statewide Staff Development Day, our dedicated team at Willmot Public School engaged in professional learning focused on High Potential and Gifted Education (HPGE), a key priority in NSW public schools. Staff deepened their understanding of the four domains of potential—intellectual, creative, physical, and social-emotional—and built their capacity to identify students with high potential across these areas. Through this learning, we are better equipped to design inclusive, challenging, and differentiated learning experiences that support students to grow their talents and achieve their personal best.

Parent and teacher meetings will take place next week. These meetings are a great time to talk about how your child is going and how we can work together to support their learning. Please ensure that you book your spot either via the form that has been sent home or your School Bytes Parent Portal.

We are also proud to be launching our new school logo this term. The logo launch will be held on Wednesday, 21 May from 9:15am to 10:45am. Parents and carers are welcome to join us for a morning of celebration as we reveal the new logo. We can't wait to share this day with you all. We will also be joined by dignitaries and special guests. Please note that it does take time for the new logo to be moved to all items within a school, including the school uniform. We hope to have new uniforms available for purchase at the start of Term 3, however there will be a two-year transition period in which the old logo will still be accepted, so there's plenty of time to transition and

School Gates & Kiss and Drop Procedure

Our front and back gates open at 8:30 am and close at 2:55 pm each day. Playground supervision starts at 8:30 am. Students who arrive before this time wait at the gate. Kiss and Drop routines are in place. Children say goodbye to parents and carers at the school gate and proceed to the playground.

If your child is upset or needing support in the morning, you are welcome to take them to the playground and hand them over to staff member. We will make sure they get the support they need to get ready for learning.

Parents and carers are invited to come on site in the mornings to access the canteen or front office as usual.

The Kiss and Drop procedure will not run on Wednesdays when The Salvos are here running the community breakfast. During this time, we invite parents and carers to join us for a tasty breakfast.

Attendance

Please remember that our school day starts at 8:55am and finishes at 2:55pm. If your child arrives late or is required to leave early, or is absent from school, you are required to provide a reason to the school. This can be provided on an absence slip available at the front office, by phoning the office on 9628 0222 or by email to willmot-p.school@det.nsw.edu.au.

If your child is required to leave school early, only parents/carers and emergency contacts listed on the enrolment form can pick up the student. Anyone who is not listed, will not be permitted to leave with a student during school hours. Please see the front office for an Update Contact Details Form, should you need to add additional emergency contacts to your child's details. We appreciate all families who assist us in keeping our students safe.

DOE Mobile Phone Policy

In primary schools, the Department of Education has banned students from using mobile phones during school hours. Whilst we understand that some students may need to have a mobile phone on them on the way to and

from school, any mobile phone brought to school by a student MUST be handed to the office on their arrival and collected again when they leave. Failure of students to comply with this is a clear breach of Department of Education Policy.

P&C Update

Welcome back for Term 2!!

We are delighted to commence Term 2 following an exceptional Term 1 for the P&C. We are enthusiastic about our upcoming events and activities.

We extend our sincere gratitude to all families and businesses that supported our Harmony Day celebrations here at Willmot Public School. It was truly remarkable to witness our community unite to celebrate our diverse cultures. We would like to express our special appreciation to Palms Pacific for generously providing the cooked pig, which we shared with the community.

We look forward to hosting a fundraising event for the upcoming Federal elections, where the P&C will be organizing a BBQ fundraiser. If you are able to volunteer for this event, please contact our friendly P&C members to register your interest. We will also be running the Mother's Day stall this year, as well as a Mother's Day raffle, which promises to offer some outstanding prizes. We will also be holding a Bric-A-Brac this term. More information on this to come.

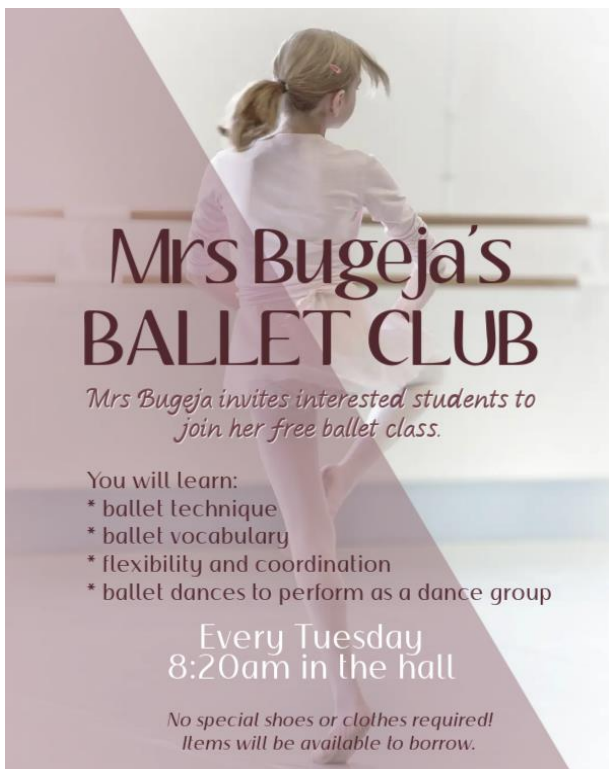

Please note that our next P&C meeting will be held on May 6th at 2pm in the Community Room. We were impressed by the excellent turnout at our previous meeting, and we encourage you to join us again to share your thoughts and ideas. We are really looking forward to another fantastic term. Please contact the P&C Board or rock up to a meeting to find out how you can get involved to help make our school better place for our students and community.

National Simultaneous Storytime

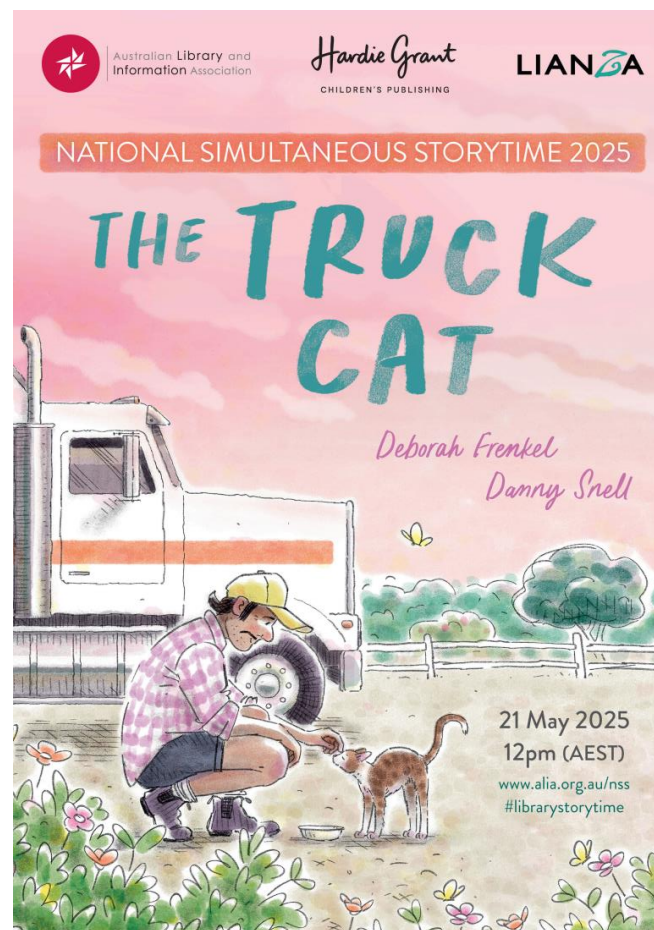

National Simultaneous Storytime is an important annual campaign that aims to encourage young children to read and enjoy books as well as teach them the value of literacy. Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, pre-schools, childcare centres, family homes, bookshops and many other places around Australia, New Zealand and the world.

The book selected for 2025 is *The Truck Cat* written by Deborah Frenkel, illustrated by Danny Snell and published by Hardie Grant Children's Publishing.

The Truck Cat is a story about cats and humans, immigration and identity, and homes lost and found. Along with his human, Yacoub, Tinka travels roads wide and narrow, near and distant. But no matter how much they travel, home feels very far away – for both of them. When Tinka and Yacoub are unexpectedly separated, they are determined to find their way back to each other – and, in doing so, might find more than they expected ...

At 12pm on Wednesday, 21 May our students will join in with students across the country to listen in on a reading of *The Truck Cat* and will then participate in class activities to further celebrate the book.

A link to the live event will be posted on our Facebook page for families who wish to participate with young ones at home.
