**WOLLONGONG HIGH SCHOOL OF THE
PERFORMING ARTS**

Overview

At Wollongong High School of the Performing Arts, we often like to publish success stories about our students. We generally do this through our newsletter, but increasingly we use electronic mediums to publicise these stories. We are seeking your permission to obtain and publish content that may identify you and your child in school communications. These content examples include, but are not limited to, photographs, text, illustrations/graphics, videos, sound recordings and examples of student work.

Examples of the school's means of communication include, but are not limited to:

- School Website
- Social Media Platforms
- Newsletter (online)
- School Bytes App
- Local community newspapers/magazines
- Electronic Sign (located outside WHSPAC)
- Media promotions
- Electronic and print promotional material
- Teachers being able to contact students on the mobile numbers for excursions or other school related business

We will make every effort to protect the identity of you and your child, however, the Department of Education cannot fully guarantee that you and your child will not be identified from content.
