## Professional Learning

Monday 13 October will see all school staff attending professional learning at Cowra Public School. We will be participating in learning more about Explicit Teaching and looking at ways to effectively include it in our day-to-day teaching within our classrooms and across our small school network. School staff will also be attending a series of behaviour seminars across weeks 2 – 5 in Term Four. We are looking forward to learning new strategies and bringing these back to our classrooms.
