# YAMBA PUBLIC SCHOOL

# Hello Parents and Carers,

We are delighted to invite you to our beautiful school community as part of our Kindergarten Orientation Program.

Here is some information that you might find useful as you get to know Yamba Public School.

## About Our School

Yamba Public School has 300 students, 20 teaching staff, 1 teacher/librarian, 7 Student Learning Support Officers (SLSO), a curriculum advisor, an Aboriginal Education Officer and an IO/AU support class.

We have a library, a huge playground, new playing equipment, a netball/basketball court and a spacious undercover area.

**Our canteen is open  
Wednesday to Friday.**

# Kindergarten 2025

In 2025, our Kindergarten year has 38 students, with SLSO support. Our teachers are Mrs Smith, Mrs McCudden and Miss Grainger.

## Our Buddy Program

As part of your child's transition to school, they will be paired with Year 5 students who will be their buddy. This will support a smooth transition for children starting school and will allow them to have their buddy for 2 years.

## Meet Clarry

Let us introduce you to Clarry, our school mascot. At Yamba Public School, we recognise that each student is unique and has their own individual learning path. Clarry supports our core values of being safe, respectful, responsible and proud learners so that every student at Yamba Public School can learn and reach their full potential.

# School Activities

We offer many opportunities for our students. Here are a few activities our school is involved in.

If you have any questions, please don't hesitate to ask. We hope you love Yamba Public School as much as we do!
