VISION FOR RECONCILIATION

At Yarrawarra Public School, we are deeply committed to reconciliation through our inclusive educational environment built on mutual respect, where Aboriginal and Torres Strait Islander peoples, communities and cultures are recognised, valued and celebrated. Yarrawarra Public School does, and always will, acknowledge, value and engage with Aboriginal and Torres Strait Islander peoples' cultures, stories, histories, and ways of being. We recognise the importance of respectful collaboration and partnership with Aboriginal and Torres Strait Islander community members. We continue to extend on our relationships with First Nations peoples that are based on trust and respect, and free of racism. As a school, we will always continue to consult our school community, reflect on and improve our practices, policies, and procedures. We acknowledge that reconciliation is everyone's business and take a whole-school, community approach to ensuring that reconciliation is a priority.

ACKNOWLEDGEMENT OF COUNTRY

The Yarrawarra Public School community would like to acknowledge that we stand amongst the tall trees on the Traditional Land of the Dharawal People. We enjoy learning, sharing and playing in our unique bushland setting where sacred white Ochre can be found. Together we walk safely on Country, together we respect Mother Earth, and together we actively learn about our country's true history and culture for a shared future. We must always remember that under the playground and classrooms this Land was and always will be Aboriginal Land. We pay respect to the Elders past and present, and to the young people of today as they embrace their connection to culture. We extend our respect to all Aboriginal and Torres Strait Islander peoples present here today, as we walk together and work together. Djurwalinjang. (We grow together in Dharawal)

RAP ACTIONS	COMMITMENT
Aboriginal and Torres Strait Islander People in the Classroom	We are committed to engaging Aboriginal and Torres Strait Islander people in our learning activities. Having Aboriginal and Torres Strait Islander voices in learning environments is vital when teaching about Aboriginal and Torres Strait Islander histories and cultures.
Opportunities for Aboriginal and Torres Strait Islander Students and Children	We commit to providing opportunities for all Aboriginal and Torres Strait Islander students to celebrate their cultural identities. These opportunities positively impact the wellbeing of Aboriginal and Torres Strait Islander students and children, and create shared pride for Aboriginal and Torres Strait Islander cultures, contributions, identities and histories in the wider school community.

RAP ACTIONS	COMMITMENT
Elders and Traditional Owners Share Histories and Cultures	We are committed to forging a meaningful and ongoing relationship with local Aboriginal and Torres Strait Islander Elders, and people recognised in their community as Traditional Owners. We hope this relationship can be of mutual benefit, and that local Elders and Traditional Owners will feel safe, and confident, to share their historical and cultural knowledge with our staff, students and children.
Cultural Responsiveness for Staff	We are supported to reflect on and build our cultural responsiveness to improve our practice and best support the needs of Aboriginal and Torres Strait Islander students. We are provided with a range of opportunities to build our knowledge and understanding of our own positionality and Aboriginal and Torres Strait Islander perspectives, contributions and cultures.

RAP ACTIONS	COMMITMENT
Welcome to Country	Where appropriate, significant events at our school commence with a Welcome to Country. Protocols for welcoming visitors to Country have been a part of Aboriginal and Torres Strait Islander cultures for thousands of years. By incorporating these protocols into formal events and important occasions, we recognise Aboriginal and Torres Strait Islander peoples as the First Australians and Custodians of the Land.
Celebrate National Reconciliation Week	Our school community celebrates National Reconciliation Week (NRW) which is held from 27 May to 3 June each year by talking about reconciliation in the classroom and around the school, and celebrating with the community. NRW is a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort.
Build Relationships with Community	We commit to forming ongoing relationships with the local Aboriginal and Torres Strait Islander community. Our relationships will be built on mutual respect, trust and inclusiveness. We respect these relationships and the way they make opportunities for Aboriginal and Torres Strait Islander peoples and non-Indigenous staff, students, children and the community.

RAP ACTIONS	COMMITMENT
Teach about Reconciliation	Our school community is committed to learning about reconciliation in Australia. Having an understanding of the concept, history and progress of reconciliation is an important part of continuing the reconciliation journey. This understanding also helps to strengthen engagement with our school's RAP by positioning it within the broader story of reconciliation in Australia.
Teach about Days of National Significance	We commit to incorporating nationally significant days for Aboriginal and Torres Strait Islander peoples and reconciliation into our curriculum to increase knowledge of Aboriginal and Torres Strait Islander histories, cultures, contributions and contemporary issues. We also commit to including Aboriginal and Torres Strait Islander perspectives when teaching about other national days, such as 26 January (Australia Day) and ANZAC Day.
Explore Current Affairs and Issues	We commit to knowing the news and being responsive to current issues significant to Aboriginal and Torres Strait Islander peoples and the process of reconciliation. We will do this through delivering our curriculum, policies and procedures, and integrating it into the way our school operates.

RAP ACTIONS	COMMITMENT
Acknowledgement of Country	Our school recognises the continuing connection of Aboriginal and Torres Strait Islander peoples to the Country on which we live, work, learn and grow. All staff and students have the opportunity to show respect to Traditional Owners and Custodians by regularly conducting an Acknowledgement of Country at meetings and events throughout the year.
Care for Country	We commit to actively connecting with, and caring for, the Country/place on which our school stands. This involves respectfully learning about Aboriginal and Torres Strait Islander perspectives, philosophies and practices about caring for Country/place, as well as physically demonstrating respect for the skies, waterways and Land on which we live and learn. We will consider First Nations perspectives as part of broader sustainability plans, policies and practices. This will reinforce the meaningful and continuous connections Aboriginal and Torres Strait Islander peoples have continued to have with Country/place since time immemorial, as well as provide positive opportunities for all members of our educational community to become socially and environmentally responsible citizens who display a growing awareness of the importance of First Nations land management and sustainability.

RESPECT

WITH THE COMMUNITY

RAP ACTIONS	COMMITMENT
Aboriginal and Torres Strait Islander Flags	Our school flies/displays the Aboriginal and Torres Strait Islander flag at your school to demonstrate respect and recognition for the histories, cultures and contributions of the First Peoples of Australia. Flying or displaying the flags promotes a sense of community partnership and a commitment toward reconciliation.
Take Action Against Racism	We will raise awareness of racism, its impacts and how to respond effectively when it happens. We will do this through an anti-racism strategy tailored to the needs of our school.

RAP ACTIONS	COMMITMENT
Curriculum Planning	Aboriginal and Torres Strait Islander histories and cultures are a key, ongoing part of curriculum planning, development and evaluation across all year levels and learning areas. We will review curriculum documents to find out where we include Aboriginal and Torres Strait Islander histories and cultures, and to what extent and where we could include Aboriginal and Torres Strait Islander histories, cultures and contributions in the curriculum.
Australian Professional Standards for Teachers	We support all teachers to know about and engage with the Australian Professional Standards for Teachers' focus on reconciliation, in particular Focus Area 2.4. As a result, teachers understand and respect Aboriginal and Torres Strait Islander people to promote reconciliation.

RAP ACTIONS	COMMITMENT
Inclusive Policies	All staff at school are aware of policies referring to improving educational outcomes for Aboriginal and Torres Strait Islander people and building knowledge of, and respect for, Aboriginal and Torres Strait Islander histories and cultures in Australia. When internal policies are reviewed and developed, we will ensure that they are inclusive of Aboriginal and Torres Strait Islander peoples and perspectives, and that there is a plan in place to ensure that all staff comply with these policies in their daily practice.
Staff Engagement with RAP	Commitment to the Reconciliation Action Plan (RAP) from all staff is essential for developing a RAP that is implemented in a meaningful and sustainable way. All staff will be involved in the ongoing development and implementation of our RAP through staff development opportunities facilitated by the RAP Working Group.
RAP Budget Allocation	We have set aside dedicated funds from within our budget to procure relevant goods and services that strengthen the sustainability of our RAP Actions. Staff are aware that it is important to consider remuneration for people who have been involved in RAP initiatives out of respect for the time and resources that they have contributed.

RAP ACTIONS	COMMITMENT
Local Sites, Events and Excursions	We commit to learning more about the Aboriginal and Torres Strait Islander histories, cultures and contributions of the Country on which we live, work, learn and play, by working with the local Aboriginal and Torres Strait Islander community to learn about events of historical and cultural significance and visit appropriate sites.
Celebrate RAP Progress	We are committed to reflecting on the progress made in the growth of knowledge and pride in Aboriginal and Torres Strait Islander histories, cultures and contributions in our school. We will track the progress of our RAP, continually revisit our commitments, and celebrate our achievements, while generating new ideas to develop and sustain our RAP into the future.
Aboriginal and Torres Strait Islander Languages	We commit to providing students and children with a deeper knowledge and understanding of Aboriginal and Torres Strait Islander cultures and identities by learning about Aboriginal and Torres Strait Islander languages. We acknowledge the importance of language maintenance and revitalisation efforts and will provide students and children with opportunities to learn – or learn about – the First Language of their local area.
