

Online Profile Picture Procedures

Rationale: To provide guidance to staff and students regarding the expected images that are appropriate for online learning application profile pictures.

Aim: To ensure all staff and students are supported to feel included and safe within the school online environment.

Procedures:

1. Online profile pictures must be:
 - a. The student or staff members initials or
 - b. The student or staff members unedited official school photograph or
 - c. The unedited Yass High School crest
2. Any student or staff member using an alternative image will be requested to change the image to the above options.
3. If the above request is not completed within 2 days, the schools IT team will change the image to 1. a.
