Principal Report

What a wonderful week we have just experienced! On Tuesday, our Year 6 leaders had the fantastic opportunity to attend the GRIP Leadership Conference in Wagga Wagga. They engaged in inspiring activities and discussions, equipping them with valuable skills to lead their peers and contribute positively to our school community. Thank you to Mr Calwell and Mrs Perez for driving our students over so they could attend this wonderful workshop.

We celebrated our special Mothers Day breakfast, where we welcomed our mums and grandmothers for a delightful morning of connection and conversation. It was heart warming to see so many of you come together to share this time, and I want to extend my heartfelt thanks to everyone who attended. Your presence made it a truly memorable event. I had the privilege of attending the annual Rural South and West Principal Conference this week, where I facilitated a workshop on our attendance strategies. It was an excellent opportunity for other schools to learn from us and implement strategies for improving attendance at their schools.

Thank you all for your support and participation in our school community. It's these moments that truly make Yenda a special place to learn and grow.

As Aristotle wisely stated, "Educating the mind without educating the heart is no education at all."
