Welcome to Term Four!

We are excited to welcome all our students, families, and staff to Term Four after what has been a fantastic and busy Term Three. Over the past term, our students have participated in a wide range of learning activities and extracurricular events, showing great enthusiasm and resilience. From classroom achievements to sports and creative projects, the energy around the school has been truly inspiring. Thank you to everyone for your ongoing support and engagement that makes these successes possible.

In Term Four, we have a jam-packed term full of exciting opportunities designed to enrich our students' learning experiences both inside and outside the classroom. To help you stay informed and organised, please make sure to check the School Bytes app. This is our primary communication tool for the most up-to-date calendar details, event notices, and the latest newsletter editions.

A key change this term is bringing our school presentation event forward to Week 8. Traditionally held later in the term, this adjustment aims to reduce end-of-year scheduling pressures. The presentation will celebrate student achievements, special awards, and students will present a dramatic production they are working hard on. Further details about the format and schedule of this event will be shared soon.

The final two weeks of Term Four, students will participate in an intensive swimming program at Goondiwindi and Inverell pools. This important initiative helps improve water safety skills and builds confidence in the water, a vital life skill especially as summer approaches (and feels like it's already here!). This will be great preparation for the Macintyre Swimming Carnival which is usually held in the first week or two of the new school year. Along with swimming, there will be a variety of engaging end-of-year activities including class celebrations, reflection sessions, and events, designed to acknowledge the hard work everyone has put in over the year and to send our students off on a positive note.

We are truly excited about the opportunities this term will bring,

WHAT'S ON AT YPS?

Term 4

October

- 22nd CPR for Kids at CCPS (yrs3-6)
- 24th QRU Rugby 7's Day (yrs3-6)
- 31st Halloween at Bonshaw PS

Small Schools Knockout

Touch Football

A real highlight of Term 3 was competing in multiple sports across the Small Schools Knockout competition.

Teamed together with North Star Public School our students went all the way to the touch grand final, held in Penrith, and came away with a silver medal!

I know this will be a memory that lasts a lifetime for our students, and I would like to again thank our families for supporting this endeavour.
