As we step into Term 2, I'm excited to welcome back our staff, students and families! I hope everyone had a rejuvenating break and is ready for an engaging term filled with learning and growth.

I want to extend my thanks to all the students and staff who participated in the ANZAC Day march and service during the holidays. I appreciate your dedication to honouring our ANZACs and fostering a sense of community and history among our students.

A special mention goes to Ted, who was awarded the Strong Family ANZAC Day Award. This recognition celebrates individuals who have shown commitment to community and the spirit of the ANZAC.

I am thrilled to report that Toasty Term 2 has been a fantastic success thus far! Many students have expressed their enjoyment, and we have already started receiving requests for Toasty Term 3.

In our ongoing efforts to enhance student enrolment, participation and engagement, we are pleased to introduce a new school bus. This service aims to encourage regular attendance by providing students with reliable transportation to school. Moreover, the bus will facilitate easy access to interschool opportunities and excursions, ensuring that all students have the chance to engage in enriching experiences beyond the classroom. We believe that this initiative will create more opportunities for our students to connect with peers, develop new skills, and explore their interests.

As we embark on this new term, let's continue to support one another and make the most of the opportunities that lie ahead. Together, we can create a vibrant and inclusive learning environment that fosters success for all our students. Here's to a fantastic Term 2 filled with learning, growth, and community spirit!
